SELF ENUMERATION CENSUS 2027

16 NOVEMBER 2026 to 30 NOVEMBER 2026 (For Goa)

FLOWCHART

SECTION 1: ACCESS & VERIFICATION

1 Portal Access & Login

Access the SE Portal through this URL or scan the QR code

se.census.gov.in

- Select State/UT
- Read instructions and continue

2 Language, Mob No & OTP Verification

- Select preferred language
- Enter mobile number and captcha
- Verify OTP on mobile

SECTION 2: LOCATION VERIFICATION

3 Verify Household Location

Mobile number matches with the HLO (House Listing Operation) Phase I database.

YES → Whether residing in the same house where household data was collected during the first phase of Census

YES → Proceed to Questions

NO → SE can be done after marking location in the Map Interface

NO → Enter another mobile number or provide location through the Map Interface

4 Provide Location Details

Select District, Sub-District and Village/Town

- Enter landmark/locality details. Location matching the details entered will appear as drop-down
- Select one nearest to the location of your residence
- Move the Map to mark the location and "Confirm location & Proceed"

SECTION 3: DATA ENTRY & SUBMISSION

5 Complete the Questionnaire

Fill Questions 1–6 for all Household members

- Go to Dashboard
- Complete Questions 7–40 for each member
- Click on "Save member **details**"

6 Review Household Details

Review the information for each Household member and make corrections, if required by clicking **"Review Household"**

7 Final Submission

- Submit the Household data by clicking **"Submit Household"**
- No changes can be made after final submission.

8 Generation of SE ID

Submission Successful
XXXXXXXX

A unique 11-digit SE ID prefixed with 'P' is generated after successful submission. Share with other Household members.

SECTION 4: FIELD VALIDATION

9 Enumerator Visit & Validation

Provide the SE ID to the Census Enumerator during the house-to-house visit.

Note: Please keep the SE ID readily available & accessible anytime.

SE ID Match
SE data is confirmed, accepted and submitted

SE ID Does Not Match
Enumerator collects Population Enumeration data afresh for all household members.
